Welcome to Origa.ai!

Corlient Tech Solutions Private Limited, a company incorporated under Indian laws having its registered office at Purvanchal Royal Park, A2/1009, 10th Floor, Tower 6, Noida, UP, India 201301 hereinafter referred to as “Origa.ai” operates the web site accessible from the URL <https://origa.ai> (the 'Web Site').

This Privacy Policy describes what Origa.ai ("Origa", "we", "us" or "our") do with information we collect about you. We are committed to protecting your personal information and your right to privacy. If you have any questions or concerns about our policy, or our practices with regards to your personal information, please contact us at hello@origa.ai.

Origa.ai will endeavour to protect your privacy and utilizing technology that gives you the most powerful, safe, online experience that you can get anywhere else. Origa.ai does, however, gather certain information that is provided by you to the Web Site. Origa.ai believes that by collecting this information Origa.ai is able to provide you with a personalised web experience, and to assist its own field team, partners, affiliates, dealers and advertisers in efficiently reaching an appropriate audience.

Origa.ai requests the minimum information it believes necessary to achieve this goal. The following discloses Origa.ai's information gathering and dissemination practices for the Web Site:

1. Origa.ai uses your IP address to help diagnose problems with our server and to administer the web site. Your IP address is used to identify you and your page visits and to gather broad demographic information.
2. The Web Site's registration form may require users to give us contact information (including but not limited to user's name and e-mail address) and unique identifiers (including but not limited to user's PAN Number, Aadhaar Card). The Web Site uses customer contact information from the registration form to send these users, information about Origa.ai as well as promotional material from some of its dealers and partners/affiliates. The customer's contact information is also used to contact the visitor when necessary. Demographic and profile data is also collected at the Web Site. We use this data to tailor the visitor's experience at the Web Site, showing them contents that we think they might be interested in, and displaying the contents according to their preferences. This information is shared with advertisers on an aggregate basis.
3. The Web Site may contain links to other Websites which are not necessarily been screened or reviewed by Origa.ai. Origa.ai is neither responsible for the privacy practices or the contents of such Websites nor shall be held answerable for the inaccurate, inappropriate or offensive data, material, information, products and services that may be viewed on those sites.
4. Origa.ai may engage the services of an outside advertisement company to display advertisement on the Web Site. These advertisements may contain cookies. While Origa.ai uses cookies in other parts of the Web Site, cookies received with banner advertisements are collected by the Advertisement Company, and Origa.ai does not have access to this information.
5. The privacy and protection of your data and information provided to us is of vital importance. Origa.ai shall endeavor to safeguard the security and

confidentiality of any information you share with us. Any personally identifiable information of the customers obtained by us shall not be used or shared other than for the purposes to which the customers' consents. However security and confidentiality of information cannot be guaranteed 100 (hundred) percent. Hence despite our utmost efforts to protect your personal information, Origa.ai cannot warrant the security of any information you transmit to us through our online services. Such transmission of your personal information is done at your own risk and user will not hold Origa.ai liable for any breach of such data whatsoever.

6. Origa.ai shall not deliberately disclose customers' personally identifiable information to any unauthorized third person, save and except where such information shall be disclosed in good faith and for the purpose of law for the time being in force or to protect the rights and property of Origa.ai or at any given time when the website or servers of Origa.ai gets hacked due to reasons beyond control of Origa.ai and Origa.ai's reasonable endeavors to keep the data safe.
7. The Web Sites may make chat rooms, forums, message boards and/or news groups available to its users. Please remember that any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose your personal information.
8. The Web Site supplements the information that you provide with information that is received from third parties.
9. Origa.ai does not collect online information from children without prior parental/guardian consent or parental/guardian notification, which will include an opportunity for the parent to prevent use of the information and participation in the activity. Without prior parental consent, online information will only be used to respond directly to the child's request and will not be used for other purposes without prior parental consent.

10. Origa.ai does not collect personally identifiable offline contact information without prior parental consent.
11. Origa.ai does not give the ability to publicly post or otherwise distribute personally identifiable contact information without prior parental consent; and does not entice by the prospect of a special game, prize or other activity, to divulge more information than is needed to participate in the activity.
12. We process personal data as long as it takes to achieve the goal (goals) for which this data was originally collected. After this your data will be deleted or transferred to an archive, except for cases when it is necessary to continue the processing of your data to abide by our legal and contractual obligations that we have or other rightful and legal purposes.
